▷ A TRIBE OF DESTINIES The world of Elden Ring is a vast world with an open field and a vast underground world. A land in which the strength of both magic and swordwork are the foremost, and a land in which the balance between chaos and order is at its zenith. ▷ A TRIBE OF FORTITUDE A tribe that has lived in harmony with itself, the Elden Tribe, and the harmony of the world. Despite the pride they feel as a member of the family, there is one who has betrayed the honor of his people and its beliefs. This malevolent individual is about to be greatly dealt with. ▷ A TRIBE OF ARTISANS Elden Ring is a fantasy game wherein you can freely develop your own character and play the game according to your play style. The calligraphy is a game element that allows you to develop your character according to your preferences, and combine powerful weapons with them. ▷ A TRIBAL CONNECTION Feel as if your spirit is connected to the other players and advance together with them! In addition to the asynchronous online element that allows you to feel the presence of others, you can connect with and enjoy an enjoyable, cinematic story that follows in the tracks of the other players through the journey of a single player. ▷ FUTURE-GENERATION TECHNOLOGY The sacred relic known as the Dusk Stone can be the key to opening a new era of evolution for mankind. However, there is a secret organization that hoards and controls this key, and seeks to use it for power. -Features of This Game Harmony as the Main Concept "Elden Ring takes the concept of a fantasy game and explains it in terms of cooperation and conflict. This game achieves the balance between magic and swordwork, between chaos and order. It also redefines the concept of fantasy. In Elden Ring, there is always someone standing next to you to help you. You have a support network, and you can enjoy playing the game even if you are alone." - Suchan Entertainment, Inc. CEO's Opinion CEO Cho Jin-hwan "The fantasy genre has not changed since the Elder Scrolls. However, by addressing all the elements from the Elder Scrolls series and looking at the concept of fantasy in a new light, I believe that we will be able

... **BOOK OF ELDEN RING PART 1** Book of Elden Ring is a fantasy RPG game to be released in parts by Motoi Sakurada (game designer of Katamari Damacy, Sangokushi, and Okage, among other games) and Atsushi Hashimoto (supervisor). It is set between the chapters of the ancient fantasy novel The Book of Revelations and the post-apocalyptic fantasy novel Wolfrider Chronicles, prior to the start of the first book in these series, The Book of Elden.

Book of Elden Ring is scheduled for release in 6 parts. The first part of the new world of Elden would be a classic RPG battle system called "tactical battle RPG". The next part would be to strengthen the story of the world, the third part, the story of which is based on the original novel, the fourth part, which contains art and graphics that have been made up to this point, and the fifth part that would be released at a later date in the development.

The sixth part is set out to be an action RPG influenced by illustrations made by Shin'ichi "a.k.a. Hayashi" Matsuyama. A tactical battle RPG is being completed in the development team regardless of the release date of the game. When the sixth part of the story has been completed, Motoi Sakurada wants to begin development of the next part of the story, which would be an action RPG.

The last part is to complete or clarify the story in a third person perspective, adding more protagonists. The release of the game depends on the completion of the entire story.

The development team for the game includes:

Motoi Sakurada[RPG Designer/Sound Producer, Katamari Damacy, Sangokushi
