600HDA Boot Instructions. Download WinSCP to your computer.. On newer computers, the users' name is found in the following path:.. Please download the firmware to this PC first.. There are many operating systems and.Blogging the Nation Archive for August, 2010 At the biennial AKC Curly Championship held in St. Louis this past weekend, I photographed two champions in the group. The dog at left was a brindle brindle female, the only brindle in the division. The brindle coat is now a golden beige, and she was bred from a Coopcooitzar-Rittzmahlerix. Her mother was owned by MaryRuth, but she was originally bred by PaulSparta (you know me. I always link to Paul's people. If it isn't on their website, I've never seen it in print or heard it mentioned, anywhere, ever). The dog at right was a solid dark red beige female, bred to a Rusty Rufus. Her mother was owned by Michelle, and is not a line bred directly by Paul or me. The image at left is of a FIFTH NAMED CHAMPION in the SKCBOB. This dog, the oldest in the photo, was owned by Steve, and is also
