Kohram Complete DIY Noise Dance Mix made by Eion. DJ Kohram has been mixing music since he was a teenager. As a young DJ Kohram was based in the Netherlands where he has spent the last 30 years DJing events throughout the world. Running from 2004 to 2009 he founded the production company Kohram Media Factory, after this time, due to personal commitments, he left the music industry. In 2014 Kohram returned to digital music production, he now releases music under the alias Kohram. Notable Singles released by Kohram include BOTUNDU, GRITDOGG, BALIWANTI and You Can't Bump With Her. Steam Kohram produced the game Steam using GORU with Cubase 5. Kohram and GORU pushed together to create the first game using the technique of rapid game development. 20th Century Fox Kohram has worked with 20th Century Fox at Bit Design, Fox Games and Ensemble Studios. He has worked with studios on movies like Transformers, Aliens, Harry Potter (film series), Gladiator, Game of Thrones and X-Men. The ruling Party newspaper said on Monday that the 61-year-old US citizen, known only as Tonya, was found guilty of crimes against the state, including "espionage and subversion in the worst class". She was sentenced to 10 years in prison with hard labour. Her trial was held a year after the death of her boyfriend, who was executed on the same day. Tonya Lee also faces a murder charge in the US. The case against her is not related to the other two. The first verdict was handed down in early June but it was not announced until after an appeals process. Meanwhile a 37-year-old German-Korean was sentenced to hard labour after being found guilty of making "anti-party and counter-revolutionary" remarks. The second prisoner is from China. They have not been named
